## Detailed Action

### *Reasons for Allowance*

1. Claims 1-16, 26, and 27 (renumbered as 1-18) are allowed.
2. The following is an examiner's statement of reasons for allowance:

This application is for a storage device holding a plurality of cartridges.

- **Claims 1, 4, 15, and 16** specify a storage device holding a plurality of cartridges which requires:

*"said plurality of types of cartridges includes a first cartridge that has a second engaging portion which is disposed at a third distance in the inserting/removing direction from a leading end in the inserting direction, and engages with a locking portion of a second storage device different from said storage device."*

These features, in combination with the other features of Claims **1, 4, 15, and 16** are not anticipated by, nor made obvious over, the prior art of record. The claims are allowed based on the details given in the specification of the various means outlined in the claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
